The Cyprus Ensemble

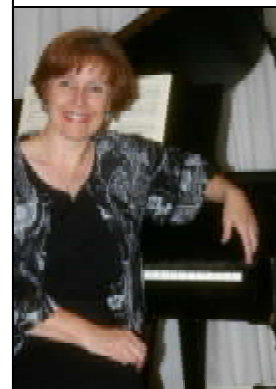

The Cyprus Ensemble is a new chamber music group playing classical piano quartet repertoire with excitement and pizzazz! FUMC's own Patricia Grimm, pianist, is joined by violinist, Maria Conti, violist, Suzanne Corey-Sahlin and cellist, Gunnar Sahlin. These talented musicians have been symphony orchestra members, featured soloists and chamber musicians throughout the United States, Europe and Asia.

Their joy in making music is evident in the drama and exuberance of Mozart's Quartet in G minor, the uniquely Spanish dance rhythms of Turina's Piano Quartet and the beautifully soaring melodies of Schumann's Piano Quartet in Eb Major.
